Variety QLD EduKids Grant Application

* indicates a required field

Every child deserves the opportunity to learn, participate, and thrive at school.

Variety Queensland's EduKids Grant program helps Queensland families experiencing financial hardship access essential school stationery by providing free, tailored stationery packs based on their child's official school booklist.

We partner with Stationery Aid, who carefully prepare each stationery pack using repurposed and quality educational resources. Packs are tailored to each child's school requirements and delivered directly to your door.

Application Tips

Please ensure you have provided all the required information and supporting documents. When you are ready to submit your application, the form will automatically check that all required fields have been completed. If any information is missing, you will be prompted to return to the relevant section and complete it before submitting.

We are unable to see your application or assist until it is submitted in our system. We recommend applying well before the closing date so there is enough time to provide any additional information requested from our Kids Support team.

Due to the high volume of applications received, Variety Queensland is unable to contact applicants to request missing information or provide individual feedback on declined applications. Applicants are encouraged to carefully review their application before submitting to ensure all required information has been provided.
