Our most successful way of raising money is to demonstrate, by way of images and personal accounts, how donations are making a positive impact on the lives of children in need - there is nothing more powerful than seeing the beautiful smiles of the children we strive to assist. Allowing us to tell your story and keep in touch provides our sponsors and supporters with an insight into the work Variety undertake and encourages more donations and support. This then helps us achieve our mission to help sick, disadvantaged and special needs children to live, laugh and learn.

We may wish to use these images in our promotional material.
